EDUCATION

Bachelor of Engineering (IT)

University Institute Of Engineering & Technology, Panjab University

2017 - 2021   *CGPA-8.67*

WORK EXPERIENCE

Frontend Developer
Zversal Private Limited

06/2021   *Mohali*

Achievements/Tasks

- Maintaining various in-house Angular projects, consistently updating functionalities to meet evolving requirements.
- Migrated project from Angular v7 to v13 to ensure future compatibility.
- Replaced Bootstrap & plain CSS with TailwindCSS in two existing in-house projects..
- Enhanced functionalities within legacy Angular JS 1.x project.
- Integrated Mixpanel analytics in assigned projects to analyze user interactions to improve app usability.
- Wrote unit test cases with Karma and Jasmine.
- Improved code-quality by integrating enhancement tools - ESLint, Prettier & Husky in applications
- Dockerized some application for easier deployment and got familiarized with AWS.
- Worked on Retool - a low code platform to build applications connected with the backend.
- Familarized with SQL while making Retool POC Applications.
